Sir:

This letter is in replay to the Office Action dated 1-20-2006. Applicant was glad to be advised and required by the Examiner to make some corrections. Accordingly, the following five documents have been included along with this letter:

1. Supplemental Oath/Declaration. (1-page)
2. A supplemental paper to replace the original one of "Changes of Claims Shown by Markings", in order to correctly amend the reissue application as required. (11-pages)
3. Amendments to the Specification. (3-pages)
4. Two pages, Page 1 and 8, to replace those two pages in the pending claims 1-15 filed on January 3, 2006 with a minor correction. The correction is that, the words of "pumping beams" have been replaced by the words of "pump source" in claim 1(2)C and claim 10(2)C.
5. Statement of Status/Support for all Changes to the Claims. (3-pages)

Once again, the letter of "Special Explanation for Information Disclosure Statement" and "the copy of the IDS submitted before" submitted on 4-8-2004 should be persevered.

Very respectfully!
